## Exhibitor Rules and Regulations

### *I. Exhibit Purpose*

Exhibits are intended for educational and informational purposes to improve osteopathic education, practice and research. All materials/equipment should not contain any inaccurate or misleading information. VOMA reserves the right to determine if an exhibit meets the objectives and standards of VOMA. Exhibits should complement the meetings and sessions by enabling registrants to see, hear, examine, question and evaluate the latest developments in equipment, supplies and services relevant to osteopathic physicians.

### *II. Eligibility to Exhibit*

Exhibitors must agree to meet the objectives stated above. Exhibitors may sell merchandise or services in the exhibit area. No product, apparatus, instrument, device or drug that is subject of litigation pending before the Food and Drug Administration may be exhibited. In cases of pending compliance or noncompliance with the FDA items can only be exhibited if a disclaimer is posted stating: FDA LISTING PENDING. All products or services exhibited must comply with all state and local regulations and with all FDA regulations for such products and services, except as provided above.

### *III. Assignment of Booth Exhibits*

Contracts and payments in full for booth exhibits are accepted on a first-come, first served basis. To ensure that booth space has been reserved, your application and payment in full should be submitted as soon as possible. Reservations are not assured until application and payment are both received.

### *IV. Insurance*

Each exhibiting company is required to insure itself against property loss or damage and against liability for personal injury.

### *V. Booth Cancellations and Refunds*

VOMA must be notified of cancellations, in writing on company letterhead by March 15, 2022 for a full refund. No refund will be made for cancellations after March 15, 2022.

All exhibitors should register their personnel in advance and name badges are encouraged for identification purposes.

This reservation includes persons, objects, conduct, printed materials or anything of a character that may be objectionable to the exhibit area as a whole. This also includes the period of storage prior to and following the meeting.

### *XIII. Cancellation*

VOMA will not be held liable for any expenses incurred by the exhibitor/sponsor if the live-event cannot take place.
